Experience

Rural Carrier Assistant at U.S.P.S.

Summer 2025-Current

- Reinforced personal accountability for something that truly mattered to each person I came in contact with, all while maintaining repore with my teammates, my superiors, and most of all, for myself as the role of time management took on a whole new meaning in my life.

Customer Experience Specialist at Capital One

2021-2022

- Learned to communicate effectively and expeditiously in a fast-paced call center environment while keeping up with continuously-evolving banking policies.

Customer Service Assoc./Night Supervisor at Wawa, Inc.

2011-2025

- Gained experience leading a team while learning how to strategically develop a customer atmosphere that was both welcoming and reinforced brand values.

Caricature Artist at King's Dominion

Summer 2014

- Developed the ability to distill the unique qualities of park-goers into an 11"x17" comedic snapshot that told a story about their lives within the constraints of time, personality, and brand expectations.
